Brand New Liveable Luxury With A Timeless Coastal Aesthetic

Award-winning architect Wolski Coppin delivers a stunning architectural response to its coastal setting, crafted to deliver a year-round holiday vibe while catering to the needs of family life.

Combining a high-end beach house aesthetic with a dreamy organic feel, the two storey home epitomises barefoot luxury with interiors that take their cues from nature with elegant curved lines echoing the coast and soaring ceilings that reach up to the sky. Interiors reveal understated luxury with an emphasis on detail and refinement while creating an open connection between inside and out.
